A sense of Community you'll find, if you wish!

In the center of town where the Flag is flown.

Though I am a place where you could pitch a shoe.

I am made of metal but look like I could fly.

Riddle #5: With our instruments, we're always outside,
We may play the Blues, but we play it with pride.

Riddle #6: At the top of me, you can read a good book,
At the bottom, you can catch a fish with a hook.

Riddle #7: Everyone wants me, but I am easy to find,
To the park's name, you'll find me assigned.
